ASSOCIATED CALIFORNIA LOGGERS

555 Capitol Mall, Suite 460, Sacramento, CA 95814 916.441.7940 - www.californialoggers.com

The 2027 ACL Annual Meeting will be held January 13-15th at the Peppermill Resort Spa Casino in Reno, Nevada. This is our 53rd Annual Meeting.

In early January each year Associated California Loggers conducts its Annual Membership Meeting. This event brings together more members of the logging community from all parts of California in one place, than any other event. This event launches the year with a combination of social activities, speakers, Pro Logger Training classes and formal membership discussions and meetings.

Associated California Loggers invites you to help sponsor our Annual Meeting and various activities related to the betterment of logging and natural resource management. Your donation goes toward the staging of events held at the Annual Meeting, two luncheon keynote speakers, Pro Logger class instructors/presenters, banquet and auction, and ladies program.

ACL is a 501(c)(6) which also allows your donation to assist the general purposes of the Association in accord with our mission.

We believe that the Annual Meeting sponsorships offer you a way to show your support for the loggers who purchase your products and services, attend your events and/or provide contract services to you. Additionally, we hope our Annual Meeting is an opportunity for you to promote your services to our members.

Sponsorship opportunities include a Power Point presentation at the Annual Meeting, and your company's name on signage, in the Annual Meeting program, on the ACL web site, and in the ACL monthly newsletter and social media, both before and after the 2027 Annual Meeting. You will be acknowledged at sponsored events. You will be able to post special "sponsor articles and advertisements" to the ACL Facebook page in 2027. **As in previous years, we are providing free display booths for our sponsors in the main reception hall. (Sorry: due to contract obligations, we cannot offer display booths to insurance sponsors.) Please check off the box if you will need a booth to show off your product literature and to display company information. Sorry, we are not set up for large trade show booths, equipment or giant banners.**

Associated California Loggers is excited about this opportunity to involve you in our 2027 Annual Meeting. Welcome to Associated California Loggers.

Sincerely,

Jeff Holland
